

Building Permit Fee Schedule

City of Sun Prairie Group IV

Alterations and repairs to all existing structures. For the purpose of determining the fee on the basis of estimated cost, it shall represent the actual cost for alterations and repairs to existing buildings, including all labor and material less the cost of the real estate as if done by competitive bids. Fees listed below are for general estimating purposes only. Actual permit fees will be calculated at time of application & plan submittal.

Structural:	\$6.00 / \$1,000.00 project cost or portion thereof. \$25.00 min.
Electrical:	\$6.00 / \$1,000.00 project cost or portion thereof. \$25.00 min.
Electrical Service:	\$50.00 / per service
Plumbing:	\$6.00 / \$1,000.00 project cost or portion thereof. \$25.00 min.
HVAC :	\$6.00 / \$1,000.00 project cost or portion thereof. \$25.00 min.
Fire Sprinkler System:	\$6.00 / \$1,000.00 project cost or portion thereof. \$25.00 min.
Certificate of Occupancy & Change of Use:	\$25:00
Water or Sewer Lateral Repair/Replacement:	\$6.00 / \$1,000.00 project cost or portion thereof. \$25 min.

The following fees can be substantial.

The Department suggests a plan review as early as possible to determine these fees.

The following fees will vary by use and occupant load. Fees will be determined after a plan review by staff:

Sewer Connection Fee, Interceptor Fee and Impact Fee
