

Soil Limitations for Dwellings with Basements

Legend

- Not Rated
- Very limited
- Somewhat limited
- Not limited
- Water
- Stream
- City Limit
- Planning Area

Notes: Rating class terms indicate the extent to which the soils are limited by all of the soil features that affect the specified use. "Not limited" very favorable, good performance, very low maintenance. "Somewhat limited" moderately favorable, limitations can be overcome or minimized by special planning, design, or installation, fair performance and moderate maintenance. "Very limited" unfavorable, limitations generally cannot be overcome without major soil reclamation, special design, or expensive installation procedures, poor performance and high maintenance.
