

# BRUSH AND YARD WASTE CURBSIDE COLLECTIONS

*For City of Sun Prairie residents who receive  
City-sponsored curbside automated  
refuse/recycle cart collections.*

## **BRUSH** (*sticks and branches*)

Brush should be placed curbside in small, neat piles, with the cut ends facing the street.

Leave branches in original length, if possible.

## **YARD WASTE** (*grass, leaves, garden waste, compostable materials*)

Yard waste should be placed curbside in open bags or containers. Yard waste is collected once in the spring and twice in the fall. If you would like your yard waste bags returned for reuse, an empty container should be at the curb for that purpose.

**Brush and yard waste must be curbside by  
7:00 am on Monday of your collection week.**
