

Community Survey for the Sun Prairie Parks & Open Space Plan

Welcome! This survey is intended to gather Sun Prairie residents' input on the City's current park facilities and programs and to understand the community's future park and recreation needs. The survey is split into two parts: a short version and long version. The short version should take you less than 10 minutes to complete. After finishing the short version, you will be given the option to submit your survey or proceed to the second part of the survey. The long version should take an additional 10 minutes.

The results of this survey will inform the City's 2017-2021 Parks & Open Space Plan. This plan, which is an update to the City's 2009 Parks & Open Space Plan, will guide the City's investments in park and recreation facilities and programs in the future. By updating the Parks & Open Space Plan, this City will be eligible for grant funds from state and federal sources for park and open space improvements. Note that this survey and the Parks & Open Space Plan do NOT commit the City to funding specific projects.

Thank you for your time and for sharing your opinions!

You may drop off completed surveys at City Service Center (201 S Bristol St), OR Clerk's Office (City Hall, 300 E Main St), OR you may mail to the address provided. Simply fold into thirds with the address facing out, tape the survey, and mail.
