Thank you for participating in the Sun Prairie Transportation Survey. I appreciate you taking the time to get involved in our community and provide your thoughts on transportation in our city.

In August of 2016, the City convened the Transportation Summit to discuss the state of public and alternative modes of transportation in Sun Prairie. Following the Summit, the City Council authorized the creation of an Ad-hoc Steering Committee on Transportation. This committee was to provide recommendations to the City Council for the improvement of public/alternative transportation in Sun Prairie.

The results from this survey will be one of several items the Committee considers when drafting its recommendations. If you have any questions regarding the Committee, please feel free to contact me at aguyant@cityofsunprairie.com.

Once again, thank you for your time and I look forward to reviewing the survey results.
Sincerely,

Al Guyant
Council President
