Help Your Friends and Neighbors Get Out and About

Donations helped more than 300 families get around the City of Sun Prairie last year to critical destinations like medical appointments and the grocery store.

*Reduced Taxi Fare Program
Funding Imperiled*

Your Help is Needed.

Can you help us keep funding going for a program that has provided a critical service to many of our disadvantaged residents?

Our low-income and disabled citizens use discounted taxi fares to help them get to the grocery store, to medical appointments, or to get their children to and from school safely.

The reduced fare program has enabled more than 300 families to take hundreds of trips monthly to necessary destinations.

**Your Donation Can Keep this
Worthwhile Program Going**

A donation of \$250 for example, can fund more than 300 trips to schools, doctors, or grocery stores.

“If the service was limited, I'd have to stop volunteering, stop going to church, limit shopping, limit medical trips.”

Elderly Resident

“We have many small children whose parents do not want them walking to school alone or on very cold or rainy days. Many of these families do not own vehicles and the parents are unable to walk with their children due to various reasons. The Reduced Taxi Fare Program has made it more affordable for our low-income families to access this safe mode of transportation for their children.”
